

CCS READY TO GO..

European Conference on CCS Research, Development and Demonstration

19 – 22 April 2010 – Rotterdam, The Netherlands

In coöperation with:

Announcement

Dear sir/madam,

It is a pleasure, to announce this European Conference on CCS Research, Development and Demonstration. This conference will give you an excellent opportunity to exchange views with European key players and to get updated on the newest findings on CCS. We will provide you a programme with enough time for networking, excellent research results and visionary key note speakers. So please note this date in your agenda.

The FP7 project CESAR, coordinated by TNO, is honoured to organise this conference in cooperation with the FP7 projects CAESAR and DECARBit and the networking groups of CO₂NET and CO₂GEONET. This event is the follow-up on the successful EU conference held in Oslo in February 2009.

The conference will take place in Rotterdam, The Netherlands. The city with the ambition to reduce CO₂emissions with 50% in 2025. It will kick-off with an ice breaker party on the evening of April 19th, followed by a two days conference on April 20th and 21st. A visit to a local CCS plant will be organized on the 22nd.

Please make a reservation in your agenda on 19-22 April. Soon, you will receive our invitation. More information will be available on our website (www.ccs-conference.eu).

We are looking forward to welcome you in Rotterdam, April 2010!

On behalf of the organising committee,

Peter van Os
Coordinator of CESAR
TNO Science and Industry.
